SOUTHAMPTON

£PACKAGE TO ATTRACT THE BEST

About Us

P H Warr plc delivers Property & Construction Surveying services from offices across Southern England, London and Tripoli. We adopt an approach that actively establishes and understands our client's project objectives, tailoring our services to what our clients want to achieve. We offer the chance to work on an expanding portfolio with exciting clients.

The Role

This is a key appointment for our central Southampton office. To continue our growth we aspire to attract, retain and reward ambitious Assistant and Project Building Surveyors like you! P H Warr plc is the right choice for those Building Surveyors who want real responsibility in delivering a broad range of surveying duties, a structured training plan to achieve chartered status and excellent career development.

Educated to degree level, not necessarily construction related you will have an understanding of the role of surveyor and ideally some relevant work experience. With excellent communication skills, you will be I.T. proficient and able to work as a team player. As part of a forward thinking team, you will be involved in commercial, leisure, public sector, healthcare, education and residential schemes.

To Apply

If you are looking to work for an ambitious company, this is the opportunity. After clicking on the 'Apply' button please complete the application form and submit your CV via our website. For more information T: **023 8063 4333**.

We are committed to building a business full of diverse talents, skills and experience. Strictly no agencies please and we are an equal opportunities employer.
