

DIVISIONAL DIRECTOR - CHARTERED QUANTITY SURVEYOR

SOUTHAMPTON

£ PACKAGE TO ATTRACT THE BEST

About Us

P H Warr plc delivers a range of tailored Property & Construction Surveying services from a network of offices covering London, Southern England and Tripoli. We have an emphasis on growth through providing a focussed and solution led client focused service.

To underpin our sustained growth plan, we are looking to recruit an aspiring individual to help develop our client base in Southern England. We can offer you the chance to work with us on a solid portfolio of existing clients, and the opportunity to build and develop your own team within our business.

The Role

You will be a key player in running our Southampton office. As part of a forward thinking team, you will be involved in commercial, lifestyle, public sector, higher education and residential schemes, working alongside our clients and managing surveyors. With excellent communication skills and an innovative approach to delivering client needs, your aspiration to progress will be demonstrated through your approach and delivery.

You will have a proven track record in delivering quantity surveying services to the highest standards and managing multiple projects. With a strong belief in understanding and exceeding client expectations and a positive attitude, you will be both challenged and will challenge others. This position offers an attractive package appropriate to your experience, training and capabilities with support for professional development and career progression.

To Apply

If you are looking for a new challenge with an ambitious company this is that opportunity. Please apply through our website, www.phwarr.com. Early applications invited, final closing date is Friday, 5 February 2010.

We're committed to building a business full of diverse talents, skills and experience.
Strictly no agencies please and we are an equal opportunities employer.
