## HEALTH AND SAFETY ADVISOR

LONDON WATERLOO

£PACKAGE + BENEFITS TO ATTRACT THE BEST

### About Us

P H Warr plc delivers Property & Construction Surveying services from offices across Southern England, London and Tripoli. We adopt an approach that actively establishes and understands our client's project objectives, tailoring our services to what our clients want to achieve.

### The Role

This is a key appointment for our London Waterloo office. You will be responsible to the Associate Health & Safety Advisor and assist in the delivery of CDM Co-ordinator and safety services to a wide variety of clients.

Your role will comprise liaising with design teams, notifying the HSE of projects, developing the pre-construction information, identifying safety risks of the schemes, attending project meetings and compiling Health & Safety Files. In addition, you will assist in the delivery and expansion of our safety management system and fire risk assessment services, whilst contributing to business development and growth of the Health and Safety Team.

Preferably educated to degree level in a safety or construction related discipline, or with a minimum of the NEBOSH Construction Certificate, you will also possess 12 months experience working in the construction sector, ideally in the role of CDM Co-ordinator or site based safety advisor.

With excellent communication skills, you will be I.T. proficient and able to work as a team player. As part of a forward thinking team, you will be involved in commercial, lifestyle, public sector, education and residential schemes for an expanding portfolio of exciting clients. We offer excellent career development as you work towards further qualifications and becoming a chartered member of IOSH and APS.

### To Apply

If you are looking to work for an ambitious company, this is the opportunity. After clicking on the 'Apply' button please complete the application form and submit your CV via our website. For more information **T: 020 7021 0333**.
