

Commercial Experience

Project:

Gore Cross Business Park

Location:

Gore Cross, Bridport

Client:

Curtiss Wright (in association with the South West Regional Development Agency)

Completed:

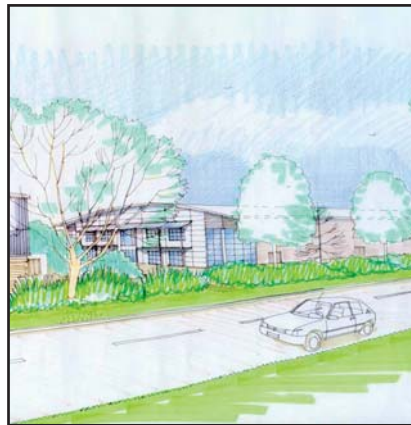

December 2004

Construction Cost:

£3,500,000

Form of Contract:

JCT "With Contractor's Design"

Roles & Responsibilities:

The company provided Employer's Representative services on the construction and fit-out of this modern production facility in Bridport, Dorset.

Scheme:

A production facility, with integral office space on two floors, comprised a total floor area of approximately 46,000 square feet. The development facilitated Curtiss Wright to maintain their presence as a major employer in the Bridport area. P H Warr plc worked closely with the South West Regional Development Agency throughout the design and construction phase.
