

Commercial Experience

Project:

English Partnerships' Regeneration

Location:

Northampton

Client:

S W Wreford

Completion:

Anticipated 2009

Construction Cost:

£15,000,000

Form of Contract:

JCT 1998 With Contractor's Design

Roles & Responsibilities:

The company acted as Employer's Agent, Quantity Surveyor and Planning Supervisor for this design and build project.

Scheme:

This comprised of relocating Wreford's Transport as part of an English Partnerships' Regeneration initiative. The development incorporates a vehicle transportation facility including 17 individual mixed commercial / office units together with a gatehouse, stores, combined fuel station and lorry wash facility.

P H Warr plc's involvement was critical to the negotiations in relation to the relocation of the existing company and the overall delivery of the regeneration initiatives.
